The group has spoken! The request by the attendees of the May meeting was to have another socially safe based event to celebrate, gather and network with old and new friends. We listened, and therefore we're happy to offer:

our first COCMA *ALMOST* after-dark get-together!
(in a very long time!) Bring door prizes for drawings!!

RSVP on our website -- www.COCMA.org --
starting on July 12th

For 20+ years, it's people like you who have helped keep COCMA a strong resource for Healthcare Networking and Education, and it's so important that that tradition is kept going!

Regardless of our role - Marketing, Sales, Business Development - we all experience daily situations that challenge us and affect our energy, especially during these times. We all need to stay focused on our tasks in business and at home. Together, we can do this!

Join us to reconnect and participate and bring your healthcare marketing friends – you'll be glad you did!

Bring your own beverage(s) of choice/Business Cards/Brochures! RAIN or SHINE !!

“High Five” Sponsorships – For \$50, you can secure 5 minutes at the beginning of an upcoming meeting to present and share information about your business or upcoming event information.

We cannot wait to see you on Aug. 5!!
